INFORMATION CIRCULAR

To: Members of delegations and staff at Headquarters

From: The Assistant Secretary-General for General Services

Subject: CONSTRUCTION WORK IN THE SECRETARIAT CIRCLE AND CHANGES IN VEHICULAR AND PEDESTRIAN TRAFFIC

1. An 8-inch water pipe will be installed in the Secretariat Circle from the fountain to 43rd Street and First Avenue. This will necessitate a change in vehicular and pedestrian traffic patterns in the Secretariat Circle for a period of approximately seven days while work is being performed. The Buildings Management Service will confirm the commencement date of the installation.

2. During the construction period, a section of the Secretariat Circle roadway will be torn up. Incoming vehicular traffic will continue to be allowed to enter the 43rd Street gate. However, the 43rd Street pedestrian entrance will be closed. Outgoing vehicular traffic from the Circle will be redirected towards the roadway in front of the General Assembly Building to the gate on 45th Street and First Avenue, which will be kept open and staffed on a 24-hour basis.

3. From 0600 to 2000 hours, for the duration of the General Assembly, all vehicular traffic to and from the garage for Secretariat staff and affiliates will be through the 42nd or 48th Street gates. Drivers are reminded to obey the speed limits posted.

4. Pedestrians are also reminded to remain on the sidewalks and to enter/exit through the designated pedestrian gates.
